CREATIVE POWERHOUSE

do what lights you up

WITH STACIE BLOOMFIELD

the stages of a

CREATIVE POWERHOUSE

do what lights you up

These are the Stages of a Creative Powerhouse. This is an overview of the path you will take.
Keep in mind that it will take years to complete this journey.

1. FLICKER

Creative Jumpstart: to impart fresh energy

You are a firefly in the makings. Given time and opportunity, you will shine bright. This is the beginning of your evolution.

CHARACTERISTICS

MILESTONES TO REACH

2. SPARK

Creative Dreamer: a glittering flash of light

The spark has been ignited. You begin to emit flashes of light as you allow yourself to dream and visualize your creative future.

CHARACTERISTICS

MILESTONES TO REACH

3. GLOW

Creative Learner: To give out steady light

As you devote yourself to learning your craft, you find moments where you shine. The more you study, the stronger the light becomes. You take every opportunity to practice and grow. You are gaining clarity.

CHARACTERISTICS

MILESTONES TO REACH

4. GLIMMER

Creative Doer: to shine brightly

Your light is steady now. You've found your footing. Now that you've decided which direction to go, take your time, stay the course, and let your inner voice guide you towards your destination.

CHARACTERISTICS

MILESTONES TO REACH

5. FIREFLY

Creative Powerhouse: a source of influence or inspiration

You are ELECTRIC! You create your own energy, feel comfortable following your own path, and you lead the way for others to follow your trail.
